Dear Parents

We are pleased to announce that St Denis is now offering online ordering for canteen orders. Efficient and user friendly, the online offering is provided by canteen provider "Montello on Main" using an online system managed by Relief List.

The online ordering system commences from the beginning of Term 2 (**Monday 29 April 2019**). It has a number of advantages including:

- Replaces the need for bags or paper-based orders for canteen orders
- You can put credits into your account at any time and order online any time replacing the need to provide cash with orders each week.
- You can place your orders for the entire week or even further ahead if you wish.
- You can place your orders on the day you want them delivered as long as you get your orders in by the **cut-off time which is 9am each day**
- The system has help menus throughout to answer any questions you might have. This includes what to do if you want to cancel an order you have placed previously.
- You have access to reports showing your history of orders
- You can place your orders via your computer, iPad/tablet or your mobile phone by going to the website: [www.relieflist.com.au/canteen](http://www.relieflist.com.au/canteen) and clicking on the Canteen Orders button. Alternatively, there is an app available (refer the above website address).
- With the exception of the credit card fee charged by the bank when placing money into your account, the online system is free to use.

So, how do you get started? It's a pretty simple really.

Simply go to [www.relieflist.com.au/canteen](http://www.relieflist.com.au/canteen) and click on the "Apply for Canteen Account" button. The system will walk you through getting started step-by-step.

If you have any questions on how to use the system, please feel free to contact Relief List at the following email address: [info@relieflist.com.au](mailto:info@relieflist.com.au)

Yours faithfully
