# Welcome

Dear Parents,

Welcome to St Denis Pre-Primary. This year is particularly important for your child as they begin their first full year of formal schooling. Parents and teachers work together to enjoy a positive and rewarding year with your child. We aim to create a safe and secure play based environment where your child can discover and explore in a developmentally appropriate way.

## THE LEARNING PROGRAM

---

Our planning is guided by the Early Years Learning Framework and The Western Australian Curriculum which has strong links to the Australian Curriculum. The curriculum describes the content and achievement standards, guiding principles, syllabus and reporting requirements for the foundation year of school.

Our program also takes into account the interests of the children and will include some inquiry based learning units as well as explicit instruction in early literacy and maths skills. The classroom is arranged into learning centres in which children rotate throughout the day. These centres are designed to develop key concepts, skills and attitudes using appropriate practices in Early Childhood Education. They address learning across spiritual, social, emotional, physical and cognitive development.

Throughout the year we aim to:

- ❖ develop an awareness of God in all aspects of their life
- ❖ provide a smooth transition from home to school
- ❖ develop a positive self-esteem in each child
- ❖ develop social skills necessary for interaction with peers and adults
- ❖ assist acquisition of independent skills
- ❖ assist the development of language skills
- ❖ develop pre-reading, writing and mathematic skills as a foundation for ongoing learning
- ❖ promote the development of the whole child; physical, spiritual, emotional, social and intellectual

## OUR PRE-PRIMARY DAY

---

### CLASS TIMES

- The children will attend Pre-Primary fulltime from the commencement of Term 1.
- The classroom door opens at 8:30am. Students need to be punctual as lessons begin at 8:45am. Please note that children **should not** be left unattended whilst waiting for the Pre-Primary classroom to open at 8:30am.
- If you arrive after 8.45am please sign students in at the administration office.
- Pickup time from Pre-Primary is 2.55pm

### BEFORE SCHOOL ACTIVITIES

- Between 8:30am and 8:45am we ask that you settle your child and engage in the morning activities. Please always endeavour to be punctual.
- On Monday and Friday mornings, the children are required to line up by 8:45am for student briefing or to walk to the hall for assemblies or hymn practice.
- To promote independence in your child, it is important that they carry their own bag and belongings into the classroom.
- If your child is distressed, especially in the first few weeks of school, it is advisable to let one of the staff know, say goodbye and leave promptly. Your child will settle far more easily this way. Rest assured we will contact you if your child cannot be placated.

- Please ensure your child does not play on school equipment before or after school for their safety.

## MAT SESSIONS

These sessions vary and may consist of music and movement, Religious Education, as well as inquiry learning or explicit instruction in literacy or numeracy.

Activities will be planned using the children's strengths and needs and will incorporate a combination of whole class instruction and small explicit teaching groups. After recess, we engage in a variety of activities including fine and gross motor skills and Mathematics.

## OUTDOOR PLAY

Outdoor play allows the children opportunity for free exploration of the outdoor area and equipment which enables them to learn valuable social skills with their friends.

## AFTERNOON SESSIONS

The children engage in Religious Education lessons after lunch. They may also participate in language or mathematics related games, activities and construction based play such as blocks, Lego and Mobilo. We also have a shared reading time while we rest and relax.

## WHAT TO BRING?

Your child needs to bring:

## RESOURCE LIST

These resources are shared resources. The only items that require naming are:

- Oxford Handwriting book
- All 5 scrapbooks
- Red document wallet
- Library Bag

All other items should be brought in on the first day of school to be sorted by the Pre-Primary staff.

## RECESS & LUNCH

Children need to supply their own recess and lunch. We encourage healthy eating choices to maintain optimal learning. Fruit and vegetables are strongly encouraged as a morning snack. See Appendix A (attached).

***St Denis is an allergy aware school. Please avoid sending any foods that contain nuts, traces of nuts or fish.***

## LUNCH ORDERS

The canteen is open Monday and Fridays. Orders must be placed in the canteen drop box by 3pm Wednesday. Ordering information and the menu can be found on the schools website <http://www.stdenis.wa.edu.au/our-community/school-canteen> Please note that children cannot order recess snacks or ice creams from the canteen.

## DEPARTURE

At the conclusion of the day (2.55pm), children must be collected from the Pre-Primary classroom by parents or guardians. In the interests of safety, should you wish to make alternative arrangements, please advise us beforehand if possible or call the administration office on (08) 9242 3422

The schools duty of care for your child is until 3.15pm. Please contact the office if you are running late to avoid undue anxiety for your child.

If you need to collect your child early, please sign them out at the administration office prior to collecting your child and take an 'early leave pass' to the classroom.

## EARLY INTERVENTION

Early Intervention is a positive and important step towards addressing student need at a crucial stage in their literacy and numeracy development. A planned program provides crucial and comprehensive information about each child's development.

Early intervention is about early attention. Specific problems can be identified and children given the help they need.

One tool used in Pre-Primary is the On-Entry assessment program which is conducted one on one by the teacher during Term 1. This assessment provides

valuable information which assists in planning targeted learning programs which cater to the needs of individual children.

The children will also be screened by our Occupational Therapy Team in Term 1 to monitor fine and gross motor skill development. This will be followed by whole class and small group OT sessions in Term 2.

## BEHAVIOUR MANAGEMENT

In Pre-Primary our discipline policy encourages students to think about making good choices and trying to solve the problem by themselves. Appropriate behaviour both in the classroom and in the playground is expected at all times. We will be using the whole school 1,2,3 MAGIC behaviour management plan.

## HEALTH and WELLBEING

- If your child is unwell please keep them at home to rest otherwise if they come to school they run the risk of infecting other children and/or developing secondary infections themselves. Please let us know if your child has an infectious disease such as chicken pox, measles etc. so that other parents can be notified.
- If we feel that your child is unwell we will contact you and ask you to collect them.
- During the year, a medical check by the school nurse will be provided. You will be given a card to complete and should there be any concerns, the school nurse will contact parents or guardians.
- Allergies - If your child has any allergies, please advise staff and complete an Action Plan.
- Sunscreen – we recommend that you apply sunscreen to your child every day prior to coming to school. We have sunscreen available to top up during the day during the hotter months.

## MEDICATIONS

If your child requires medication, this must be administered before/after school. If your child requires medication whilst at school. Staff can administer medications if urgently required however medical forms need to be completed by parents prior to this occurring.

## ABSENTEES

If your child is unable to attend school, please email the office [admin@stdenis.wa.edu.au](mailto:admin@stdenis.wa.edu.au) and also provide a reason and duration of the absence e.g. unwell, medical appointment, family etc. If we do not receive an email, an SMS is sent out as a reminder. When you receive an SMS, please do not reply to the SMS, either send an email or call the school. The school is legally required to follow up and resolve all absences.

*Parents running late in dropping off students after 8.45am must sign them in at the administration office.*

## EXCURSIONS/INCURSIONS

## COMMUNICATION

---

We consider communication between the Pre-Primary and the home to be very important. We will keep you informed about our class through emails, newsletters (on our website) and the noticeboard. If you have any notes for the teacher, please give them directly to a member of staff.

### PARENT INFORMATION SESSION

This is an opportunity for the teachers to explain what happens in Pre-Primary on a day to day basis and it is also an opportunity for parents to ask questions.

### PARENT ROSTER

A roster will be placed on the Pre-Primary notice board for parents to choose a particular morning on which they would like to help. This is an opportunity for you to spend some time in class with your child and their peers and it is also a great assistance to us. We would prefer it if parents did not bring younger siblings when on roster. This is a time for you to share with your child.

Parents need to sign in at the administration office and receive a 'visitor's badge.' Please note that roster is from 8.30am to 10.50am only.

If you have any special skills, talents, interests or ideas such as cooking, music, crafts that may enhance our program, please let us know.

In the interest of the children, their self-esteem and for developmental purposes, it is asked that when parents come on roster, they let the children do the activities for themselves. Young children learn best about the world around them by "doing".

Roster will begin in Term 1 once the children are settled into their new routine. If you are unable to attend the regular rostered times, please see staff to work out an alternative arrangement.

### CONFIDENTIALITY

Parental assistance in classrooms is a very important part of modern education and something which the Pre-Primary staff are very appreciative.

It must be stressed however that, just as teachers are expected to maintain high standards of confidentiality, classroom volunteers should be very careful not to discuss with others the behaviour or academic performance of students.

Please maintain confidentiality when working with children in the classroom. If there are any problems with this, please see the Pre-Primary teacher.

### OPEN EVENING

The students share their learning at a whole school open evening generally held in August.

### LAUNDRY

Pre-Primary laundry will be rostered out each Friday. Please ensure that it is returned on the following Monday, as aprons are used daily. Many thanks in anticipation.

## CONTACT DETAILS

Please inform the school and teacher of any change of address, contact numbers, emergency contacts or email addresses as soon as possible.

## INTERVIEWS

At the end of Term 1 interviews will be conducted for parents wishing to discuss any issues regarding their child. A roster will be displayed on the notice board for parents/guardians to choose an appropriate time.

## APPOINTMENTS

If you would like to see the Pre-Primary teacher about your child during the year, please make an appointment at a mutually convenient time and so that relevant information that may assist the interview can be gathered prior to the interview.

## REPORTS

Your child will receive a report each semester (end of Term 2 and 4) that will reflect their effort as well as attainment of skills set out by the curriculum.

## DIGITAL PORTFOLIOS – SEESAW

A digital portfolio will be used to showcase the children's learning. This evidence of learning might include products, work samples and lots of photos that reflect the learning process.

Seesaw is a digital tool that is used to inform parents of the many activities that the children are involved in on a daily basis.

## ASSEMBLIES

Once every few weeks, the Pre-Primary class will join the rest of the school in the hall for assembly on a Friday at 8.45am. Two children at each assembly will receive an Honour Certificate in recognition of their efforts. Names of children receiving Honour Certificates will be printed in the school's fortnightly newsletter.

## NEWSLETTER

The school newsletter is available fortnightly, on a Wednesday, available on the school website [www.stdenis.wa.edu.au](http://www.stdenis.wa.edu.au). Please ensure that you provide the school office with a current preferred email address to ensure you receive the newsletter link.

An additional Pre-Primary newsletter will be sent out during the term to keep you up to date with important information and dates.

## P&F CLASS REPRESENTATIVE

The Parents and Friends Association is a magnificent friend-raising and fund-raising group within our school who organize social events for the parents and children and also assist in purchasing additional resources for our school. Parents are encouraged to support the P&F.

## **St Denis School Prayer**

Lord of all creation

We thank you for our school  
And pray that our talents and gifts  
May be developed and used for the good of all.

We pray for our teachers, friends and families  
As we grow in love and friendship  
And build a sharing community  
In the peace and love of Christ.

May we strive for excellence in all we do.  
As we reach our full potential,  
And become a model of Christian living  
In the footsteps of Jesus and our Mother, Mary.

Help us to be patient and kind at all times.  
Teach us wisdom, love goodwill and peace,  
To know the rewards of learning,  
And the warmth of friendship.

Help us all to seek the truth.

Amen
