

**2015 INFORMATION AND COMMUNICATION TECHNOLOGY (ICT)  
USER AGREEMENT FOR STUDENTS IN YEARS 4 & 5  
AT ST DENIS PRIMARY SCHOOL, JOONDANNA**

Students at St Denis School have access to ICT equipment in all classrooms. For students in Years 4 & 5, it is mainly through their participation in the 1:1 iPad program. With the privilege of using such advanced technology comes a great deal of responsibility. It is therefore necessary that all students consider and agree to all of the rules and conditions set out below, in order to use their iPads and other ICT equipment in the school safely and effectively.

**CARE AND USAGE OF ICT EQUIPMENT**

- I will respect and care for my iPad and all other ICT/Learning Technology equipment at St Denis school. This includes computers, monitors, cameras, projectors and hard drives
- I will not attempt to change any configuration settings or passwords on my iPad or the school network or equipment
- I will not eat or drink near my iPad or other electronic equipment
- I will use my iPad and other equipment for educational purposes, under teacher instruction
- I will only use my iPad in the classroom and never on the playground
- I will not leave my iPad unattended on the floor of the classroom
- I will carry my iPad safely to, from and around the school inside its protective cover.
- I will not touch an iPad belonging to another person, without teacher permission
- I will ensure that my iPad is fully charged at home every night

**WORK HABITS**

- I will carefully follow instructions from my teachers when using my iPad and other equipment
- I will name, save and print files the way that my teacher has instructed me to
- I will only print my work with teacher permission
- I will use my headphones safely and appropriately for sound files and remove them when requested by my teacher
- I will attempt to use proper spelling and grammar in all communications using my iPad and other equipment

## PERSONAL SAFETY AND PRIVACY

- I will tell a teacher immediately if I ever find any information on my iPad that makes me feel upset or uncomfortable, or is not appropriate, and I will not show it to other students
- I will not give out my own personal details (such as name, address or phone number) or those of another person
- I will only use my own usernames and passwords, unless directed by a teacher, and I will not tell another person my usernames and/or passwords

## EMAIL

- I will use my email account in a manner that is respectful, using polite and appropriate language
- I will not use email in a negative manner – to bully, frighten, annoy or upset another person
- I will only email people known to me
- I will not put personal information about myself in emails (such as photos, phone numbers and addresses)
- I will only read my own emails
- I will not use email to buy or sell anything
- I understand that a teacher or parent may access my email account from time to time to check its contents

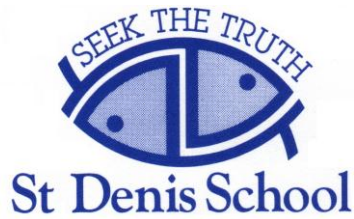

## INTERNET

- I will only use the internet to access websites and research information related to my school work, as per my teacher's instructions
- If I find a website or picture that is offensive, inappropriate or upsetting, I will immediately close it and tell a teacher. I will not show it to any other students
- I will not copy information straight off the internet without acknowledging it correctly
- I will not use social media (e.g. Facebook and Instagram) at school and I understand that I am under the required age to register for such accounts
