Dear Parent

St Denis School is a self-funded independent Catholic school with full responsibility for the upkeep and ongoing development of the school. The St Denis School building fund, which is fully tax deductible, was established for this purpose. Each year the school community is asked to make a contribution to the building fund.

Last year the building fund contributed to the upgrade of the Pre Primary and Kindergarten classrooms.

In 2015 the fund will move into the upper primary via:

- Replacing the roofing in the year 3 to 6 and science/languages rooms.
- Renovate the tennis courts to replace the existing abrasive surface.

A donation to the building fund is a voluntary contribution and can be claimed as a tax deduction. The board has recommended a donation of \$300 to the fund but you may choose another amount. There is no obligation to contribute to the building fund but the Board hopes you will strongly consider it.

If you choose to make a contribution to the building fund, please advise the office of the individual making the donation and a tax deductible receipt will be forwarded to you for any donation provided.

Payment can be made by cheque, cash, or EFTPOS, if you would like to pay by credit card please complete the attached details and return to the office at your convenience

Yours sincerely

Peter Rowe

Mr Peter Rowe
Chairman
St Denis School Board
